Our Products & Services

Mastermind Training

Our programs focus on the **organization's leadership** challenges to address the gaps and create the capacity for the business to face the future with confidence.

Coaching

Our **accredited coaching team**, partners with clients on a one-on-one and team basis in a creative process that inspires them to maximize their personal and professional potential, working through real-life business challenges.

Workshops/Team Buildings

We offer numerous **interactive team buildings** for organizations that create leadership communities. We can customize workshops for your audience as well from keynotes, panel discussions, roundtables, and workshop sessions.

Leaders First

Our focus is to contribute to the growth and development of effective and humane leadership. We help leaders attain and optimize their potential first even as we EQUIP & EMPOWER them by sharpening their SELF-LEADERSHIP, building their STRATEGIC LEADERSHIP & developing their CONSCIOUS LEADERSHIP.

Everything Rises and Falls on Leadership.....but...Being a Leader is also only first battle (J.M)

Leadership Transformation

We believe leadership is influence and not positional. We employ unique method-driven techniques and programs to create a movement of leaders whose power of influence far exceeds the authority of their positions. This is what will disrupt and facilitate the desired transformation for leaders and organizations.

Our Foundational Leadership Masterminds

1. Leadership Gold – For experienced leaders.
2. 15 Laws of Growth – For Team leaders (TL)
3. Everyone communicates few connect – For Team Leaders
4. Becoming a Person of Influence – TLs
5. Developing the Leader within You – growing and TLs
6. How to be a REAL success – For aspiring and young leaders
7. Sometimes you Lose; Sometimes you Learn – For all Teams

Advance Programs

Innovate Leader Experience

A unique 5 weeks transformation mastermind. Where you will challenge yourself to bring out the very best in yourself, even when you can't see it in yourself. An experience that will Ignite your Leadership Growth & Potential.

Let's Get Started

Our Core Models

We are devoted practitioners who continuously study broadly and pull together practical models in Leadership. We then curate and distill best practices and a curriculum to support leaders based on research, globally tried and tested programs in collaboration with The John Maxwell Team. Get an overview of these through www.stepafrique.com

"We help leaders to develop their leadership compass."

Our Customer Reach

Our clients cut across geographical boundaries in Africa: Kenya – Rwanda – Uganda – Botswana – South Africa.

We have impacted 2000+ individual leaders and 30+ organizations through our coaching, training and teaching programs.

We look forward to impacting all Africa Countries that would also be a gateway to our global impact and reach in the coming decade.
